ADDITIONAL NOTES

- This list is updated as of April 1st 2020. It will be updated monthly as Course Notes are Updated and produced.
- A number of the Course Notes advertised as 'Available' are in Webinar Presentation form at the moment (currently in the form of Powerpoint Presentations). If you order one of these, you can have the Powerpoint version initially but I will also send the MS Word version that includes additional text when it is ready.
- This is not a comprehensive list of possible Outdoor Photography subjects. If you have a subject idea please don't hesitate to contact me and ask
